

Physician-Assisted Suicide and the Experience in the Netherlands

WITH SPEAKER HENK REITSEMA

Professor Henk Reitsema, a Philosopher from Holland, will be speaking at St. Charles Borromeo on Wednesday June 14th regarding the dangers of legalizing physician-assisted suicide. With the Minnesota legislature currently considering a bill that would legalize the practice, it is imperative for both the medical and lay community to attend. If you have any questions or would like to learn more about the upcoming event, feel free to contact us!

When: Wednesday
June 14 from 7-8 pm
